

Curriculum Vitae

Dr Eduardo GARCÍA GONZÁLEZ

CURRENT POSITION

Name of company

CANSO

Job position

Manager European ATM Coordination and Safety

PROFESSIONAL BACKGROUND

Dr Eduardo García González is the CANSO Manager European ATM Coordination and Safety and is based in the Brussels office.

Dr García González coordinates CANSO Members' positions on topics covering technical/operations and safety measures, based on the European strategic objectives and CANSO Vision 2020. He coordinates CANSO's involvement with SESAR Joint Undertaking, EASA, ICAO Europe, SESAR Deployment Manager, EUROCONTROL activities of the Agency Advisory Board and the Technical Sub Group of the Industry Consultation Body.

He also represents the Europe Region in the CANSO Global Standing Committees for Operations and Safety.

EDUCATION AND TRAININGS:

EXTRAS:

Dr García González has received the SESAR Distinguished Service Award for sustained outstanding performance in the HALA! (Higher Automation Levels in ATM) Research Network by the SESAR Scientific Committee in November 2014 and was also awarded the "Derek George Astridge Safety in Aerospace Award" and the "Safety Award in Mechanical Engineering" by the Institution of Mechanical Engineers UK.
