

7th SESAR INNOVATION DAYS

28-30 November 2017,

Hosted by University of Belgrade, Serbia

LOGISTICAL INFORMATION

The SESAR Innovation Days 2017 will be hosted by the Faculty of Transport and Traffic Engineering of the University of Belgrade in Serbia. The address is **Vojvode Stepe 305, 11000 Belgrade, Serbia**.

For more information on how to reach the Faculty please visit [here](#).

Staying in Belgrade

The Faculty is about 5km south from the city centre, so there are three options for accommodation:

Hotels close to the university:

There are a few hotels within walking distance from the Faculty . This is recommended as some road works are currently taking place – which may impede travel to/from the city centre. Local hotel recommendations include:

- Hotel M (<http://www.hotel-m.com/en/>)
- Hotel Avalon (<http://avalonhotel.rs/>)
- Hotel Sterling (<http://hotelsterling.rs/index.php/en/home/>)
- Hotel N (<http://www.hotel-n.rs/en/>)

Hotels downtown

This means typically at least 15 minutes (12+ stops) travel by public transport to reach the Faculty, but is more attractive because you would be within walking distance of most of Belgrade landmarks and sights.

- Slavija Square (e.g. [Park](#), [Slavija Garni](#), [Metropol](#)), which provide a good frequency of trams and buses to the Faculty, as they all run via Slavija Square (roundabout).
- Some 10 minutes walk or two bus stops from Slavija (closer towards the very centre, but further away from the Faculty) there are a number of hotels: [Moskva](#), [Prag](#), [Life Design](#), etc., and then more of them very close to the Republic Square and the pedestrian zone - e.g. [Courtyard Marriott](#), [Zepter](#), [Majestic](#), [Square Nine](#), etc.

Hotels on the left bank of the river Sava

In the part of the city known as "Novi Beograd" there are [Crown Plaza](#), [Hyatt Regency](#), [Falkensteiner](#), [Holiday Inn](#), etc. which, however, take a bit longer to reach the Faculty by public transport.
