# General Terms and Conditions for the use of the U-Space Logo

## Preamble

**WHEREAS**, the SESAR (Single European Sky ATM Research) programme is a research and development project launched by the European Union. The programme is the technological and operational dimension of the Single European Sky (SES) initiative to meet future capacity and air safety needs.

**WHEREAS**, the mission of the SESAR Joint Undertaking is to develop a modernised air traffic management system for Europe. This system aims at ensuring the safety and fluidity of air transport over the years, making the flights more environmentally friendly and reducing the costs of air traffic management.

**HAVING REGARD TO** the Warsaw Declaration on drones<sup>1</sup>, calling for ‘urgent action on the airspace dimension, in particular the development of the concept of U-Space’.

**WHEREAS**, the concept of U-space is to enable complex drone operations with a high degree of automation to take place in all types of operational environments, including urban areas.

**WHEREAS**, the objective to detail the General Terms & Conditions (the “Terms & Conditions”) for the use of the U-Space Logo (the “Logo”) is:

- to enhance the SESAR Programme’s visibility and outreach of the U-Space concept through the effective association of its name and logo with activities of SJU’s networks and partners and stakeholders in the drone industry;
- to protect the U-Space Logo from inappropriate and unauthorised use.

**WHEREAS**, the visual presentation, duration and scope of the authorisation must strictly be respected.
