

Curriculum Vitae

George PAPAGEORGIOU

CURRENT POSITION

Name of company

Honeywell Aerospace Advanced Technology Europe

Job position

Director

PROFESSIONAL BACKGROUND

George is the Director of Honeywell Aerospace Advanced Technology Europe, a group of over 160 scientists and engineers developing advanced applications and technologies for Honeywell's next generation electronic and mechanical products, under SESAR, Clean Sky, ESA and National funded projects. George has over 20 years of experience in R&T, and started his Honeywell career in Minneapolis, Minnesota in 2002 as a Scientist developing Guidance & Control systems under DARPA and NASA projects. In 2006, he was expatriated to Brno, Czech Republic to set up Advanced Technology Europe's Communication, Navigation & Surveillance systems group. Since 2010, he is based in Toulouse, France.

EDUCATION AND TRAININGS:

George was born in Athens, Greece and holds a PhD in Systems & Control from the University of Cambridge, UK.

EXTRAS:

He is the author of over 35 peer-reviewed book chapters, journal papers and conference papers, and several patents. He is a member of the AIAA and the IEEE.
