

Meeting: **SESAR Forum**

Date / Time: **9<sup>th</sup> March 2010, 14:00 to 17:30**

Location: ATC Global, Amsterdam meeting room E102 (in the corridor adjacent to exhibition hall 10 and accessed via entrance C which is the ATC Global Exhibition entrance)

Chairman: Patrick Ky, SESAR JU Executive Director

Participants: Open to all - Register on [www.atcevents.com](http://www.atcevents.com)

SESAR is Europe's unique & ambitious challenge in Research & Development in Air Traffic Management. The ATM modernisation programme will develop the new generation air traffic management system Europe needs. It unites all air transport actors, reaches out to its international counterparts and helps lowering the environmental impact of aviation. At ATC Global, the SESAR Joint Undertaking presents the progress made so far and gives an outlook to what will happen in 2010.
